

CHÂTEAU PAVIE

SAINT-ÉMILION
1^{ER} GRAND CRU CLASSÉ "A"

Since 1998, the Perse family, with the support of the same technical team, has attentively observed and monitored this magnificent vineyard site, so that the wines of Château Pavie fully express their terroirs in the purest, most natural way.

Terroir

Saint-Emilion limestone "plateau", located around 85 metres up from the Dordogne River: clay-limestone soil on top of limestone with marine fossils (2/3 of the vineyard).

Côte de Pavie, the "mid-hillside" land 55 metres up from the Dordogne River, facing South: a brown clay-limestone soil with a fine texture.

Terroir called "Pied de côte" composed of sandy, sandy-clay and sandy-gravelly soils.

Vintage 2023

Growing methods

Pruning down to 8 buds for the old vines and to 6 buds for the young vines. Thinning, leaf-stripping. Grapes picked and sorted by hand.

Vinification

Temperaturecontrolled wooden vats. Malolactic fermentation in barrels.
